The Magic Presence

THE LAW OF LIFE

Mrs. G.W. Ballard Radio Broadcast

Los Angeles, California • December 13, 1938

The Cosmic Moment has struck, Beloved Ones in America, when the Ascended Masters call you to Victory and Freedom in the Light. The Golden Voice of your "Mighty I AM Presence," Fellow Americans, speaks so gently within your Hearts that most of the time you let your intellect reason you out of the Wisdom of your "Presence," which would direct you unerringly always if you will only give It a chance to get through.

Remember, your "Presence" can tell you through a gentle, positive feeling in the Heart the Wisdom which the intellect will never comprehend until the Light in the Heart illumines the brain and makes it understand the meaning from within. I once said to the Ascended Master Saint Germain, "Does everyone always know what is the right thing to do in his outer mind?" And He replied, "There is not a human being on Earth, not even the darkest savage in the jungle, who does not have a feeling within his Heart whether the thing is right or wrong to do. But the human intellect will not listen

to the Direction given through the feelings." The intellect has usurped the authority over the human for so long that the Wisdom and Truth from the "Mighty I AM Presence" have been ruthlessly ignored. That is why mankind is in the distress it is today—because the intellect is not the knower, never was, and never will be until it is illumined by the Light from the Unfed Flame of Life within the Heart.

The feeling within your Heart is the Voice of your own Life Stream telling you every instant what is the right thing to do, and would tell you how to do it if you will make the rest of your feeling subside long enough to know what is acting and let the "Presence" tell you what to do. The Golden Voice of your "Mighty I AM Presence" never makes a mistake; and when you give It half a chance to get through, rest assured, It will act fast enough.

Now coming to the actual speaking or singing Voice of the "Presence," there is not one human being on Earth who cannot call It forth to sing or speak through the human body—or all the Perfection of all the Ascended Masters or the Angels, for that matter. You are Life! Within Life is all the Perfection Life can desire, and to desire to sing or speak perfectly is a God Desire; for the Love of Perfection can only come from within Life itself. Please remember this for Eternity. Every constructive Desire of your Heart is God in Action through you trying to expand the Perfection of Life to bring you Joy and the Release of that Joy to all mankind and the Universe. If a singer, or anyone, will call his "Mighty I AM Presence" into action three times a day to charge the physical voice with the Qualities of the Ascended Masters' Golden Voice of the "I AM" in both speech and song—the most amazing Miracles can and will take place for anyone who will try it.

Reason, believe Me, tells you only that which is the report of the senses. And one reason the voices of the people today are not more musical is that every discord shows in the voice more than anywhere else in the individual. Irritation, particularly, shows in the tone and quality of the voice instantly. People little dream how easily they convey their feelings in the tone of the voice. This is more important than you know, because the very sound of the individual's voice indicates the condition of the emotional body; and one of the most irritating, disturbing things of our modern world is the incessant chatter and useless conversation which is the outer custom of our people today. The energy released in useless conversation by the average person would purify the planet and pay the debts of the world if it were conserved and qualified with the Perfection of Life to bless all mankind. It is an unfortunate custom of our modern life and one of the greatest ways the energy of the individual is wasted and sent into the atmosphere where the destructive forces concentrate it and again direct it upon humanity to destroy them. Therefore, you who know this Law are privileged indeed to have these things pointed out to you so you can correct them and win your Victory of Life, the Ascension.

One of the most amazing proofs of this Law of the "I AM" is in the improvement in the singing and speaking voices of all under this Radiation. Many of the Students—when they first came into these Study Groups of the "I AM" had never sung a note in their lives; and simply by the Relaxation, Joy, and Harmony, which is the discipline of the Students, have been enabled to sing as their Hearts have long desired.

A constant Call to the "Mighty I AM Presence" three times a day without interruption, the Harmony held within the feeling world of the individual, and the daily use of the

Violet Consuming Flame of the Ascended Masters' Divine Love, will as surely bring Perfection into the voice or any other activity of the individual as that one applies this Mighty Law.

The Law cannot fail; for it is Life—your own Life—and as long as you are alive, your Life will act for you to bring Perfection through if you will make the Call and do what is required to let Life pour Its Perfection through to bless you. The Golden Voice of the "I AM" in both speech and song is the Goal of the "I AM" Students under this Radiation; and the Student Body, both individually and collectively, is the living proof of what the Application of this Law can do for any individual or all mankind. In the everyday use of the speaking voice anyone can bring about great, great improvement just by daily calling the "Presence" into Action to charge it until the Qualities desired outpicture.

There is not one person on Earth who cannot have these results if the Law is applied with sincere determination to have the Perfection which is always within Life waiting to bless all who will keep the feelings harmonious long enough to let Life pour Its Perfection through. The individual who really loves Life, blesses Life, cooperates with Life, and gives It an opportunity to act, will have the proof fast enough in his own experiences of the Mighty Truth of this Ascended Master Law. All the ignorance or rebellion of mankind on Earth can never remove Its Mighty Action from the Universe. And all who are really intelligent will cooperate with It, obey It, have Its Blessings, and attain the full Victory of Life in the Freedom of the Ascension.

Become acquainted, therefore, with the Golden Voice of your own "I AM Presence." Ask It to speak crystal clear to you, to tell you the Truth about Itself, to illumine all things

with the Ascended Masters' full Illumination of Perfection, to reveal the fullness of all that is yours to use now to release Its Mighty Victory and Dominion over every discord of the outer world, and to expand, expand, and again expand Its Mighty Blessings to all.

The Voice of your own "I AM Presence" never makes a mistake. That is how you can always know It from all other voices in the Universe. It will never deceive you; It will never fail you; It will never leave you. It will never give you anything but Joy, Freedom, Victory, and Perfection. Learn to listen to that Voice of "I AM" Wisdom from the Ascended Masters' Realm of Life, and you will never have cause to regret one thing. Life is Absolute. Life is True. Life is yours eternally. Its Voice forever calls to the individual everywhere to obey Its one Supreme Law: Harmony.

Therefore, hear the Call, and always obey the Golden Voice of your own "Mighty I AM Presence." Sing Its Mighty Song of Joy; be the fullness of Its Perfection; send out Its Blessings continually. Release the Fullness of Its Freedom, and you shall know the Truth of this Mighty Law and be the fullness of Its Perfection. Be ye Perfect forever is the Command of Life! "I AM" speaks the Voice of Life through every human being. That Golden Sound is a Mighty Release of all that is required to bring you into the Perfection of the Ascended Masters. Listen, O People of Earth, to the only Voice in the whole Universe that can ever use that Mighty Creative Word in the Authority of Life. It is your own Perfection of Life that has stood waiting, waiting, waiting until you would listen to Its Call.

The Golden Voice of your "I AM Presence" calls forever. Hear It! Understand Its Wisdom; use Its Law; obey Its Direction to the Great Freedom and Happiness of Life.
